RECOGNIZING THE CONTRIBUTIONS OF SPECIALIST BRIAN ROBINSON

**HON. JON C. PORTER**

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 1, 2005*

Mr. PORTER. Mr. Speaker, I rise today to recognize the contributions of a great American, Specialist Brian Robinson. I honor him today for his heroism in the fight against our global enemies and in fighting for equitable treatment for all Army National Guardsmen.

As a former member of the Nevada Army National Guard, Spc. Robinson has shown valor and honor in combat in Iraq against the aggression of our enemies in the Global War on Terror. Since his return to the United States, overcoming near-fatal injuries and other odds, Spc. Robinson has taken an active stand to ensure that our returning Guardsmen and Reserves get their guaranteed pay and benefits.

The inspirational story of this brave man is one that deserves notice not just for his bravery in combat, but for his determination to reform inequities in services for his fellow guardsmen and soldiers. I encourage each of my colleagues to diligently work to provide, in an accurate and timely manner, pay and benefits to reserve soldiers who have been injured or have become ill fighting in the line of duty. Our troops deserve that much for the sacrifices they have made volunteering to fight to maintain the freedoms we all take for granted.

Mr. Speaker, it is with great pride and heartfelt gratitude that I salute Spc. Robinson for his bravery and sacrifice. I also honor him for his continued determination to find solutions to inequities in our military.
